Love

Dear birth parent,

We both want to thank you for taking this moment to get to know us. We understand this is a very difficult time for you. We respect and admire your decision to make an adoption plan. Even though we don't know each other we have a lot in common which is the desire to give your baby the best life possible. We are so incredibly excited to become parents.

Matthew and I met in October of 2003 on my 21st birthday and have been together ever since. We married September 17, 2005 in Warrens, WI. In June of 2007 we found the home of our dreams in Tomah, WI. It is a two story home with a huge yard, even room for a future tree house. We hope someday it will be filled with pitter patter of little feet. We are also in walking distance of a park and Aunt Tammy's house!

We have always dreamed of having a family. Even though all of our infertility pain we both believed that there was a reason that God brought us together to make an adoption plan. We believe that becoming parents by adopting a child is giving life through love.

We hope you will continue with our story and consider us for your baby.

Thank you,
Matthew & Katie Morrell

We truly love to spend time with our families. We enjoy going to fall festivals such as Cranfest and Wo Zha Wa days in Wisconsin Dells, going to pumpkin patches & picking out/cutting down our own Christmas tree & making Christmas cookies with our family. During the spring and summer we enjoy cookouts, gardening in the flower beds, taking rides in the country side and having our nieces and nephews over:-)
